

Young Scientists Symposium

„Virus-Host Interactions“

Collaborative Research Centre 1021

RNA viruses:

RNA metabolism, host response and pathogenesis

Thursday, 13 July 2017

15:30 – 18:00

Florian Hinte, HPI Hamburg

'Modulation of the IRE1-dependent ER stress pathway during Cytomegalovirus infection'

Susan Lassen, HPI Hamburg

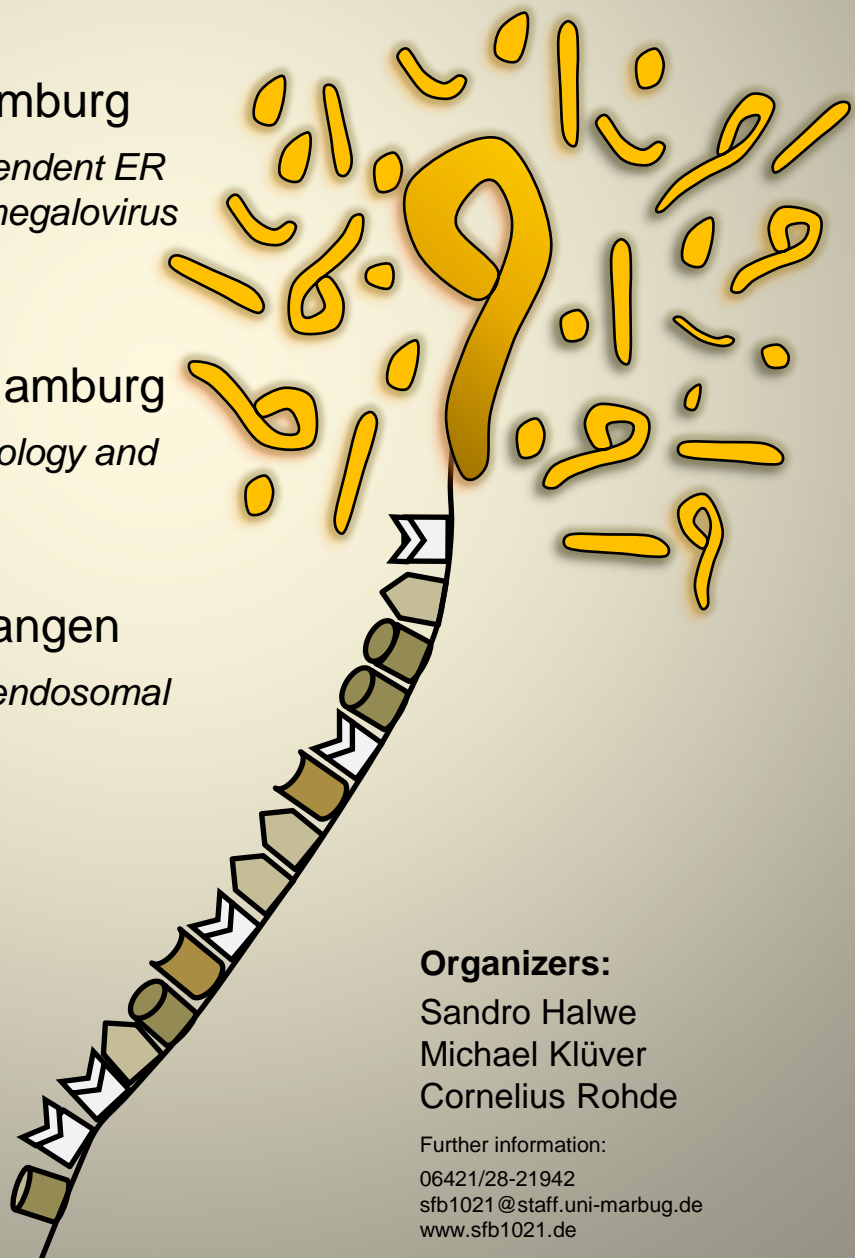

'Perilipin-2 Regulates Morphology and Hepatitis C Replication'

Fabian Elgner, PEI Langen

'Host factors controlling the endosomal egress of Hepatitis C Virus'

Venue:

Seminarraum 00/63300
Institut für Virologie
Hans-Meerwein-Str. 2
35043 Marburg

Organizers:

Sandro Halwe
Michael Klüver
Cornelius Rohde
